The North East Independent School District will be responsible for the administrative operation of the meet, including entries, seeding, heat sheets, results, and hospitality. AAAA and NEAT will be responsible for the on-deck operation of the meet including timing system, console, scoreboard and timers. The AAAA Web Site ([www.aaaa-sa.org](http://www.aaaa-sa.org)) will also play a significant supporting role.

#### Facility

The Josh Davis Natatorium is part of the North East Independent School District's Blossom Athletic Center (North East Stadium) and is located at the corner of Jones-Maltsberger Road and Bitters Road / Starcrest Drive, just north of the San Antonio International Airport.

The Davis Natatorium was first opened to competition in February of 2001 and was designed to be both athlete and spectator "friendly". It is an indoor facility with eight 2.75-meter lanes and one-meter buffers outside lanes one and eight. The minimum depth is 2.5-meters and there is stadium type seating for nearly 1500 spectators. The facility is equipped with a state-of-the-art DAKTRONICS timing system and an eight-lane scoreboard with both heat and event numbers displayed.

Immediately next-door and connected by an enclosed link, is the Bill Walker Natatorium, which will have 16 twenty-five yard lanes available for continuous warm-ups and cool downs. A heat and event board will be in operation displaying information from the competition pool.

Parking and dressing facilities are excellent. There will be swim shop concessions operating in the deck-level lobby.

#### Meet Schedule

**Friday, April 1, 2011:** Warm-ups begin at 3:00 PM; Meet begins at 4:00 PM

**Saturday, April 2 and Sunday, April 3, 2011:** Warm ups begin at 7:30 AM; Meet begins at 8:30 AM. There will be continuous warm-up and warm-down in the adjacent Walker pool during the entire meet.
