

Dear Community Member,

The Woodlands Masters Swim Team (WMST) is a year-round both competitive and non-competitive swimming club for adults aged 18 +. Founded in 1987, WMST is a non-profit, 501(c)(3) organization that has grown to almost 200 members from the surrounding Woodlands and greater Houston area. We have swimmers of all ages and abilities; from those who want to swim to keep up their fitness, to those who compete on the National and International level at USMS and FINA competitions.

WMST hosts several meets and events throughout the year, and we are looking to partner with sponsors from our local community in order to offer a way to gain positive exposure amongst our members and the surrounding community.

In 2022 we will be hosting the 2022 USMS Short Course South Central Zone Championship Swim Meet from April 1-3. This meet is expected to host over 200 swimmers (in addition to their supporting family and friends) from our South Central Zone (Texas, Oklahoma, Arkansas) over the course of the weekend. We also plan to host a 1 day meet in June/July, and a 2 day meet in November 2022.

The benefit of signing up to sponsor early, is that we will include sponsors for the end of 2021, including our 2 day Sabine Weiser November Classic meet on November 13-14, 2021. All of these events will have t-shirts available for sale with sponsors printed on the back.

Sponsorship of WMST would be a tax-deductible donation, and allow for advertising opportunities (when available) in the form of: electronic and print heat sheets (meet program), event t-shirt, customized banner display at registration desk, social media sites, and team website.

Let's work together to help make you a WMST sponsor!

Thank you for your time and consideration,

Alana Wilson
WMST President
